

## Cybersecurity Training for Industrial Control Systems

The United States Department of Homeland Security Industrial Control Systems Cyber Emergency Response Team (DHS ICS-CERT) Program is pleased to present a Cybersecurity for Industrial Control Systems regional training session at the Louisiana Tech Academic Success Center.

Date: **Apr 29 – May 2, 2019**

### **Venue**

Louisiana Tech Academic Success Center  
National Cyber Research Park  
6220 E. Texas St. Building H  
Bossier City, LA 71111

### **Who Should Attend?**

This training is provided specifically for personnel responsible for the oversight, design and operation of control systems. This includes operators, engineers, IT personnel, supervisors and managers.

### **For Information on this Course and Registration**

Please register for this training at: <https://secure.inl.gov/REG0419/>

There are no course fees; DHS ICS-CERT is sponsoring the training. Attendees are responsible for all travel and lodging expenses.

Questions: With questions after visiting the registration site: [Jeffery.mckee@hq.dhs.gov](mailto:Jeffery.mckee@hq.dhs.gov)
